INDEPENDENT AUDITOR'S REPORT

To the Board of Directors and Members of the
WILLOW POINTE HOMEOWNERS ASSOCIATION, INC.

We have audited the accompanying Balance Sheets of WILLOW POINTE HOMEOWNERS ASSOCIATION, INC., as of December 31, 2008 and 2007 and the related Statements of Assessments, Revenues, Expenses, and Changes in Fund Balances as well as the Statements of Cash Flows for the years then ended. These financial statements are the responsibility of the Association's management. Our responsibility is to express an opinion on the financial statements based on our audit.

We conducted our audit in accordance with auditing standards as generally accepted in the United States of America. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of WILLOW POINTE HOMEOWNERS ASSOCIATION, INC., as of December 31, 2008 and 2007 and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

WILLOW POINTE HOMEOWNERS ASSOCIATION, INC. has not estimated the remaining lives and replacement cost of common property and, therefore, has not presented the estimates of future costs of major repairs and replacements. The American Institute of Certified Public Accountants has determined the estimates are required to supplement, but are not required to be part of, the basic financial statements.

Our examination was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedules on pages 8 through 11 are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

WILLOW POINTE HOMEOWNERS ASSOCIATION, INC.
NOTES TO FINANCIAL STATEMENTS
For the Year Ended December 31, 2008 and 2007

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

ORGANIZATION

Willow Pointe Homeowners Association, Inc. (the "Association") was incorporated in the State of Texas as a not-for-profit corporation on July 11, 1995 and began operations with the close of its first escrow.

The Association is the governing body for the homeowners of Willow Pointe Homeowners Association, Inc. a 588 residential community in Houston, Harris County, Texas. The purpose of the Association is to discharge those functions necessary to the general maintenance, preservation, and development of the Common Properties and Common Facilities.

The affairs of the Association are currently managed by three (3) Directors.

METHOD OF ACCOUNTING

The Association is a not-for-profit organization, which employs the fund method of accounting on an accrual basis in order to properly account for restrictions on the expenditures resulting from actions of the Board or the homeowners.

These financial statements segregate the accounting for such funds into operating and capital reserve funds. The disbursements from the operating fund are generally at the discretion of the Board and are used for operating expenses. The disbursements from the capital reserve may only be utilized in accordance with the purposes established.

OWNERS ASSESSMENTS

The maintenance fees assessed are based on an annual budget adopted by the Board pursuant to the by-laws of the Association.

CAPITALIZATION POLICY

The replacements and improvements to the real property and common areas are expensed in the year incurred.

MEMO CAPTIONS

The "Memo" captions on the columns of the combined statements mean totals are presented as an overview and for informational purposes only. They present the financial position, results of operations and statement of cash flows for the Association as a whole but do not present in detail the amounts of the various funds.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Continued

ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

RISKS AND UNCERTAINTIES

The Association's accounts receivable represents payments due from delinquent homeowners. The balances are from a few homeowners, some of whom are seriously delinquent. The Association anticipates collecting these balances through its collection efforts, including filing liens and legal actions against these homeowners. The collection of these amounts will be affected by the foreclosure of liens superior to the lien by the homeowner's association such as mortgage lien holders, delinquent property tax liens, etc., and bankruptcies by the homeowners.

FEDERAL INCOME TAXES

Homeowners' Associations may be taxed either as Homeowners' Associations or regular Corporations.

As a regular Corporation, membership income is exempt from taxation if the required elections are made (such as returning to homeowners excess funds or reducing future assessments). Then the Association is taxed only on its non-membership income (such as interest earnings) at regular federal corporate income tax rates. The Corporate tax rates are graduated based on income levels from a minimum of 15% to a maximum rate of 39%.

As a Homeowners' Association, the Association is taxed on its non-exempt function income (such as interest earnings) at a flat rate of 30%. Exempt function income, which consists primarily of member assessments, is not taxable.

The Association elected to file its tax return as a Homeowners' Association for the year ended December 31, 2008.

For the Year Ended December 31, 2008 and 2007

2. REPLACEMENT FUNDING PROGRAM

The Association is responsible for repairs and replacement of common property. The support provided by the owners towards these expenses are segregated and accounted for as replacement funds. These funds are held in separate investment accounts, and are generally not used for normal operating expenses.

An independent study to determine the costs and funding program for the replacement of the Association's common areas has not been conducted. Accordingly, the current program may not be sufficient to meet all future replacement costs. Therefore, when replacement funds are needed, the Association may have to increase the monthly assessments, pass special assessments, borrow, or delay replacement until funds are available.
